

ECAA Members Health And Dental Plan

We're excited to announce a new partnership between the Electrical Contractors Association of Alberta (ECAA) and Benelogix. This collaboration gives members access to a unique benefits program designed specifically to support our members. By working together, we're ensuring members have access to smarter benefits solutions that truly support both their people, families and their business goals.

Access to favorable rates

ECAA members gain access to exclusive group pricing that helps keep benefit costs lower than traditional plans.

Extended Health and Dental

The partnership ensures enhanced benefit options, giving employees access to more comprehensive health and dental coverage.

Lowered Fees

By removing unnecessary traditional fees, the program directs more of your premiums toward actual coverage.

Improved Support

Members receive dedicated service and personalized support, ensuring questions and claims are handled quickly and efficiently.

Who has access:

- All ECAA Members
- 1-2 employees
(Individual Coverage)
- 3-20 employees
(Employee Benefits)
- 50-500 employees
(Employee Benefits)
