**FORT  
MCMURRAY**  
GOLF CLUB

## ABOUT THE TOURNAMENT

The Fort McMurray Chapter wanted to give back to the local community and raise money to help electrical apprentices in the Wood Buffalo region. With a longstanding partnership with Keyano College, it made sense to work together to create an event to help accomplish this goal.

9 years ago the Wood Buffalo Apprenticeship Classic was born.

To date, we have raised \$62,000 in scholarship funds that have been given to apprentices registered at Keyano College.

The success of this tournament is contributed to the commitment of the Chapter and its membership. Without the support of our industry and partners, this event would not be possible.

If you would like to join us in supporting our local community and become an investment partner, take a look at the available opportunities within this package.
