## A Classic Golf Experience.

The Derrick Club's 18-hole championship golf course, redesigned by Jeff Mingay in 2015, has a distinct layout reminiscent of classic course architecture of the 1930s. The course is fun for recreational golfers and offers plenty of challenges for low-handicap players.

\$195 per player (incl. tournament play, BBQ dinner)

Lorne Rubis

## *Does Culture Eat Strategy for Breakfast?*

This famous quote by legendary management guru, Peter Drucker, is more relevant than ever. To kick off the Electrical Contractors Association of Alberta Training Day, Culture Strategist Lorne Rubis will connect this statement to the world of electrical contractors.

- Is this statement relevant to electrical contractors? Why? How?
- Do culture and strategy feed off each other or compete?
- What assumptions about the emerging workforce do contractors need to consider? Or reconsider? So what?
- Where does the customer fit in this conversation?

Listen to Lorne's presentation 7:15 am during breakfast on Training Day, Friday, May 27th.
